**Continuous Internal Evaluation (CIE) Committee  
Annual Report:  
Academic Year: 2024-25**

The Continuous Internal Evaluation (CIE) Committee is dedicated to maintaining high academic standards through a structured and transparent assessment process. For the academic year 2024-25, the committee implemented a comprehensive evaluation framework for students across the Arts, Commerce, and Science faculties (FY/SY/TY).

**Evaluation Components:**

Following the guidelines of the University of Mumbai, the committee established three primary pillars for internal assessment:

- \* Home Assignments: Designed to encourage independent research and deep subject understanding.
- \* Unit Tests: Periodic classroom examinations to monitor curriculum progress.
- \* Interactive Sessions: Including Seminars, Group Discussions to enhance communication and soft skills.

**Implementation Timeline**

The committee ensured the timely execution of all evaluation phases throughout the academic year in a systematic manner.

Phase	Activity	Completion Deadline / Date
First Term	Home Assignments	10 August 2024
First Term	Unit Tests	26 to 28 September 2024
First Term	Seminars / Group Discussion	8 October 2024
Second Term	Home Assignments	24 December 2024
Second Term	Unit Tests	3, 5 & 6 February 2025
Second Term	Seminars / Group Discussion	8 March 2025

The CIE Committee successfully fostered an environment of "Continuous Evaluation," moving beyond traditional year-end exams. This approach has not only kept students engaged throughout the year but also provided faculty with real-time insights into student learning gaps.
